## OBJECTIVE

I am a passionate Frontend Developer specializing in React.js. I love building interactive, responsive, and user-friendly web applications. With a strong focus on clean code and modern design, I strive to create seamless digital experiences. React's component-based architecture helps me develop scalable and efficient solutions for real-world problems.

## EXPERT ON

- HTML
- CSS
- Tailwind CSS
- daisyUI
- JavaScript
- React Js
- Swiper React Js
